COMMON QUESTIONS

Frequently Asked Questions

What is the history of the train?

> Board the Venice-Simplon-Orient Express and you are embarking on an adventure embraced by film stars, royalty and even spies. Under one man's mission to bring the train back to life, the vintage carriages were bought in 1977 and carefully restored for the train's relaunch in 1982. Today, it is still one of the most desirable travel experiences in the world. The carriages were created between 1926 and 1949 they echo the style of carriages previously introduced in the US by George Mortimer Pullman - whose surname remains a byword for luxury rail travel.

What are the different trips offered by the Venice Simplon-Orient-Express? Where do they run and for how long, and what are their costs?

> Contact Palace Tours for more information at 609-683-5018 or email us at travel@palacetours.com. Trips range from one day to five nights and journey between top European cities such as Budapest, Istanbul, Paris, Venice, and London.

Describe the cabin accommodations on board.

> The train features Historic Cabins and Cabin Suites. Historic Cabin singles are the most basic accommodation at one bed, while twins hold two beds in an upper and lower berth. During the day, these twin berths may be reconfigured into banquet seating for greater comfort. The cabin suites are the largest accommodation, and contain two of the twin beds. These give you the option to keep one twin set down for a larger living space during the day, and have the other side readied for bed. All three of these vintage cabin types feature rich oak panelling, which can be drawn back to bring forth a washbasin at one corner. Lavatories at the ends of each carriage are adorned by mosaic tiling for added luxury. Historic Cabins feature upper and lower berths, and can be made up as single cabins to have one lower berth. Crisp damask sheets and fine blankets contribute to a cosy and restful atmosphere at night; during the day, the berths are transformed to offer comfortable banquette seating from which to admire the views. A Cabin Suite formed of two inter-connecting Historic Cabins can be reserved, using one cabin as a living area and the other for sleeping, or as a lower berth bed in each.

Does the train travel at night?

> Yes, the train continually moves throughout the night.

Describe the lavatory and shower on board.

> The Venice Simplon-Orient-Express cars are the original 1920s carriages. Each cabin comes complete with its own washbasin with hot and cold water, towels, bathrobes and slippers. Lavatories are located at the either or both ends of each sleeping carriage. However, on longer journeys the train makes alternating stops at local hotels to accommodate showering. Nights on longer journeys alternate between hotel stays as the train does not keep

> The train carries a maximum of 182 passengers. A private charter may also be arranged to allow for an exclusive experience for any special occasions or business trips a group may require.

Describe the decor of the Venice Simplon-Orient-Express.

> The current art-deco design of the Venice Simplon-Orient-Express carriages originated during the golden age of rail travel, the roaring 1920's. As such, travelers will appreciate art-deco style as they are stepped into this elegant environment, where rich inheritances from the past meet modern luxury. Describe the dining accommodations on board.

> The Venice Simplon-Orient-Express contains three distinct restaurant carriages originally built in the 1920's: Côte d'Azur, Etoile du Nord, and L'Oriental, each of which has been beautifully restored and decorated.
