ABOUT THIS TOUR

Overview

A Thursday-to-Thursday liveaboard for experienced divers, built around **Darwin and Wolf** - the remote northern islands famous for schooling hammerheads, Galapagos sharks, eagle rays and, from June to November, whale sharks.

The **Calipso** was upgraded in 2019 and carries 16 guests in 8 cabins (six on the upper deck, two on the main deck; beds can be pushed together). Expect around three to four dives a day on the Darwin and Wolf days, plus dives at Cousins Rock, the western islands and the central islands, and a visit to the Santa Cruz highlands to see giant tortoises.
