EL Expreso de La Robla

El Expreso de La Robla was born with the idea of offering all the charm and comfort of classic rail travel at affordable prices. The common areas of El Expreso de La Robla are formed by three comfortable air-conditioned saloon coaches with permanent bar service. Every morning you can enjoy a delicious breakfast buffet in them, and passengers also have access to daily newspapers, magazines, a library, video and television.

The saloons are prepared for conferences, talks, courses and meetings, with the necessary technological facilities. The whole train is connected inside, allowing the free movement of passengers along its entire length.

The rooms

El Expreso de La Robla has four sleeping cars with seven compartments in each one equipped with twin berths, wardrobe, reading light, air conditioning, background music, PA system, etc. The compartments have a young, modern atmosphere that allows you to rest in comfort. They also have a bathroom with hydro-massage shower, washbasin, toilet and hairdryer.

For passengers to rest in comfort, the train will remain stationary at the station overnight. El Expreso de La Robla will be waiting for those who wish to enjoy the night-life offered by each location.

The trip includes

- Bed and breakfast, buffet on board El Expreso de La Robla.
- Double compartment with en-suite bathroom.
- Lunches and dinners at selected restaurants (includes wine, drinks and coffees).
- Journeys by train and complementary shuttle bus transfers during the tour.
- Tickets and visits to all parts of the route.
- Tour guide throughout the tour.
- Air conditioned train equipped with all amenities.
- An excellent team at your disposal.
