They are veritable rail treasures that are much admired owing to their exquisite design, their finish and the interior decorations. The "pub carriage" has a bar and dance floor and is decorated and lit like a small night-club, where lively entertainment is provided every night until the early hours of the morning. Another lounge carriage also has a bar where you can sit back and have a quiet drink. The other two lounges are for other types of entertainment, such as reading, enjoying a board game with your fellow passengers, talking or watching the passing scenery through the big picture windows.
