Describe the cabin accommodations on board.

The train features Historic Cabins and Cabin Suites. Historic Cabin singles are the most basic accommodation at one bed, while twins hold two beds in an upper and lower berth. During the day, these twin berths may be reconfigured into banquet seating for greater comfort. The cabin suites are the largest accommodation, and contain two of the twin beds. These give you the option to keep one twin set down for a larger living space during the day, and have the other side readied for bed. All three of these vintage cabin types feature rich oak panelling, which can be drawn back to bring forth a washbasin at one corner. Lavatories at the ends of each carriage are adorned by mosaic tiling for added luxury. Historic Cabins feature upper and lower berths, and can be made up as single cabins to have one lower berth. Crisp damask sheets and fine blankets contribute to a cosy and restful atmosphere at night; during the day, the berths are transformed to offer comfortable banquette seating from which to admire the views. A Cabin Suite formed of two inter-connecting Historic Cabins can be reserved, using one cabin as a living area and the other for sleeping, or as a lower berth bed in each.
