Overview

Sail from Vienna to Romania on a luxury Danube River Cruise featuring Vienna, Budapest, Bratislava, Belgrade, Novi Sad, and the breathtaking Iron Gates Gorge.

The main attraction of this 11-day cruise is the unique beauty of the scenery along the Danube. The journey begins in the imperial city of Vienna and continues to one of the oldest cities in Europe, Belgrade, located on the border between the ancient empires of the East and West. Following the river to Romania, the ship will pass through the impressive Iron Gates, a natural gorge that separates the Carpathian Mountains from the Balkan Mountains. The journey ends at Turnu Magurele, an ancient Byzantine fortress at the confluence of the Olt and Danube rivers.
