COMMON QUESTIONS

Frequently Asked Questions

What is the history of the train?

> Board the Venice-Simplon-Orient Express and you are embarking on an adventure embraced by film stars, royalty and even spies. Under one man's mission to bring the train back to life, the vintage carriages were bought in 1977 and carefully restored for the train's relaunch in 1982. Today, it is still one of the most desirable travel experiences in the world. The carriages were created between 1926 and 1949 they echo the style of carriages previously introduced in the US by George Mortimer Pullman - whose surname remains a byword for luxury rail travel.

What are the different trips offered by the Venice Simplon-Orient-Express? Where do they run and for how long, and what are their costs?

> Contact Palace Tours for more information at 609-683-5018 or email us at travel@palacetours.com. Trips range from one day to five nights and journey between top European cities such as Budapest, Istanbul, Paris, Venice, and London.

Describe the cabin accommodations on board.

> The train features Historic Cabins and Cabin Suites. Historic Cabin singles are the most basic accommodation at one bed, while twins hold two beds in an upper and lower berth. During the day, these twin berths may be reconfigured into banquet seating for greater comfort. The cabin suites are the largest accommodation, and contain two of the twin beds. These give you the option to keep one twin set down for a larger living space during the day, and have the other side readied for bed. All three of these vintage cabin types feature rich oak paneling, which can be drawn back to bring forth a washbasin at one corner. Lavatories at the ends of each carriage are adorned by mosaic tiling for added luxury. Historic Cabins feature upper and lower berths, and can be made up as single cabins to have one lower berth. Crisp damask sheets and fine blankets contribute to a cozy and restful atmosphere at night; during the day, the berths are transformed to offer comfortable banquette seating from which to admire the views. A Cabin Suite formed of two inter-connecting Historic Cabins can be reserved, using one cabin as a living area and the other for sleeping, or as a lower berth bed in each.

Does the train travel at night?

> Yes, the train continually moves throughout the night.

Describe the lavatory and shower on board.

> The Venice Simplon-Orient-Express cars are the original 1920s carriages. Each cabin comes complete with its own washbasin with hot and cold water, towels, bathrobes and slippers. Lavatories are located at the either or both ends of each sleeping carriage. However, on longer journeys the train makes alternating stops at local hotels to accommodate showering. Nights on longer journeys alternate between hotel stays as the train does not keep passengers on board for more than one night at a time.

How many passengers does the Venice Simplon-Orient-Express accommodate?

> The train carries a maximum of 182 passengers. A private charter may also be arranged to allow for an exclusive experience for any special occasions or business trips a group may require.

Describe the decor of the Venice Simplon-Orient-Express.

> The current art-deco design of the Venice Simplon-Orient-Express carriages originated during the golden age of rail travel, the roaring 1920's. As such, travelers will appreciate art-deco style as they are stepped into this elegant environment, where rich inheritances from the past meet modern luxury. There is a timeless allure and romantic quality present throughout the train.

Describe the dining accommodations on board.

> The Venice Simplon-Orient-Express contains three distinct restaurant carriages originally built in the 1920's: Côte d'Azur, Etoile du Nord, and L'Oriental, each of which has been beautifully restored and decorated. In any of these carriages, guests can expect a unique dining experience on par with Europe's top restaurants through terrific ambiance, service, and fresh ingredients picked up at stops along the journey. The Executive Chef Christian Bodiguel, has been preparing the finest French and European cuisines for over 30 years on board the Venice Simplon-Orient-Express. To accompany Bodiguel's culinary creations, the train stocks fine wines and other a la carte options at an additional charge.

Does the Venice Simplon-Orient-Express contain a bar car in addition to the restaurant carriages?

> Yes. The "3674," named for the car's original numerical designation, serves as the bar carriage for the Venice Simplon-Orient-Express. Here you can unwind with a cocktail as you chat with fellow guests, enjoying the sweet tones of the resident pianist on a baby grand. In addition to the 3674 carriage, the Venice Simplon-Orient-Express recently added a Champagne Bar stocked with some of the finest French vintages. Here you may enjoy top brands such as Tattinger, Laurent Perrier, and Louis Roederer.

Can the train accommodate dietary restrictions?

> Yes, just notify Palace Tours before booking your trip, and your unique needs will be accommodated.

What attire should I wear on the train and on any excursions?

> You can never be overdressed on the Venice Simplon-Orient-Express. For dinner, we ask that men to wear a suit and tie and women dress in smart attire, but many guests like to don black tie or evening dress for the occasion. During the day the dress code is smart-casual. At lunch, for example, a jacket and tie is suitable for men. Jeans and sneakers are not recommended. For the excursions dress may be casual, but suited to weather conditions.

How much luggage can I bring?

> Despite having luggage racks in our cabins, space constraints require that luggage is limited, per passenger, to: one suitable piece of hand luggage, one suit carrier or overnight bag (to be placed in your cabin), and one suitcase to be stored in the baggage car, where it will not be accessible until you reach your destination.
