Overview

Few rail journeys cross a continent quite like The Ghan. Leaving Adelaide in the afternoon, the train heads north through South Australia's wine country, the ancient folds of the Flinders Ranges and the vast red desert, before rolling into the Northern Territory and on to tropical Darwin. From 2027 the journey grows to four days and three nights, adding a vineyard dinner in the Clare Valley and a full day in the Flinders Ranges to the classic outback route.

Life on board is fully inclusive. Your cabin becomes a lounge by day and a bedroom by night, meals are built around regional produce and paired with Australian wines, and drinks are served throughout the journey. At each major stop you step off the train for a guided experience included in your fare: dinner among the vines, a day exploring Quorn and the Flinders Ranges, sunrise around a bonfire at Marla, an afternoon in Alice Springs and a morning at Katherine, where most guests cruise the sandstone walls of Nitmiluk Gorge.

Choose from Gold twin and single cabins, the newer Gold Premium twin, spacious Platinum cabins or one of the train's two private suites, and let us arrange hotel stays in Adelaide or Darwin to round out your holiday.

Gold Single Cabin - A cabin for solo travellers with a seat that converts to a single bed at night. Shower and toilet facilities are shared at the end of the carriage; dining and lounge access are the same as Gold Twin.

Gold Premium Twin Cabin - A newly designed twin cabin finished in walnut and brass with outback-inspired fabrics and a compact private en suite. Guests have their own dining car and lounge, four-course dinners, premium drinks, priority check-in and a larger luggage allowance.

Platinum Twin Cabin - Almost twice the size of a Gold cabin, with a choice of double or twin beds, windows on both sides of the train and a full en suite with separate shower. Meals and drinks are served in the exclusive Platinum Club, and transfers at each end of the journey are included.

Aurora Suite - One of only two suites on the train, about double the size of a Platinum cabin, with a separate bedroom, lounge and fixed bed. Includes butler service, a personalised in-suite bar, in-suite dining and exclusive experiences.

Your Itinerary

DAY 1

ADELAIDE – CLARE VALLEY

Check in at Adelaide Parklands Terminal and board The Ghan for a mid-afternoon departure north. Settle into your cabin as the city gives way to farmland. By early evening the train pauses at Long Plains, where you transfer into the Clare Valley for dinner at a historic farm. The restored woolshed is the setting for a meal built on biodynamic farm produce, matched with the region's well-known Rieslings and red wines, as the sun goes down over the vineyards. Return to the train for your first night on board.

DAY 2

PORT AUGUSTA – FLINDERS RANGES

After breakfast the train reaches Port Augusta, the starting point for a full day in the Flinders Ranges, a mountain range shaped over some 600 million years. Visit the historic railway town of Quorn, once an important junction on the line across the continent, and see the heritage Pichi Richi railway. Lunch is paired with gin distilled in the Flinders Ranges from local botanicals. Later explore the stone ruins of Kanyaka Station and hear how early pastoralists tried to farm this demanding country. Rejoin the train for a relaxed evening and dinner on board.

DAY 3

MARLA - ALICE SPRINGS

Wake before dawn at Marla, a small outpost about 160 kilometres south of the Northern Territory border, and step down to watch the sun rise over the desert beside a bonfire, with coffee and a bacon and egg roll. Back on board, a late brunch is served as the landscape turns deep red. The train arrives in Alice Springs early in the afternoon, where you choose one included experience: a town tour taking in the School of the Air and the Reptile Centre, the Alice Springs Desert Park, a guided walk at Simpsons Gap or Standley Chasm with an Arrernte guide, or a mountain-bike ride along the Ilentye Trail. A helicopter flight over Mt Gillen can be booked instead at extra cost. The train leaves Alice Springs in the early evening and dinner is served on board.

DAY 4

KATHERINE - DARWIN

Overnight the scenery changes to the tropical savanna and rocky escarpments of the Top End. After breakfast the train stops in Katherine, where most guests take a boat cruise through Nitmiluk Gorge while a guide explains the gorge's natural history and its importance to the Jawoyn people. Seasonal alternatives include the Katherine Outback Experience with horse and working-dog demonstrations, a rock art cruise, or a visit to the limestone Cutta Cutta Caves. A helicopter flight over the gorge system can be booked at extra cost. Lunch is served as the train continues north, arriving in Darwin in the late afternoon or evening, where your journey ends.

Terms & Conditions

Fares for this journey are sold in different fare types, and the payment, change and cancellation conditions depend on the fare type booked. Your Palace Tours specialist will confirm the exact conditions of your fare in writing before you book.

- **Flexible fare:** paid in full at booking; fully refundable for cancellations received at least 24 hours before departure; date changes are free of charge.
- **Everyday fare:** a deposit of AUD 1,000 per guest (Gold and Gold Premium cabins) or AUD 1,500 per guest (Platinum) is due at booking, with the balance due 45 days before departure. Cancellations more than 45 days before departure forfeit the deposit amount; within 45 days of departure the full fare is charged. Date changes are permitted up to 45 days before departure for a fee of AUD 100 per guest.
- **Advance Purchase fare:** paid in full at booking. If booked more than 60 days before departure, a full refund is available for cancellations made within 14 days of the booking confirmation; after that the fare is non-refundable. Date changes are permitted up to 90 days before departure for a fee of AUD 250 per guest.

Suite fares carry their own deposit and cancellation conditions, which we will confirm with your quote. Amended dates must fall within 12 months of the original departure and are subject to availability and any fare difference. Timetables and departure dates are subject to change.
