There is no official dress code on board, but we recommend comfortable shoes and clothes due to the nature of the visits and excursions.

What kind of food is served on the train?

Galicia, Asturias, Cantabria, the Basque Country and Castilla y León are, in the opinion of the most fastidious chefs and gourmets, the regions where you can still find the best cuisine in Spain. The cheeses, sausages, meat, vegetables, fish and seafood are all universally renowned.

The restaurants on our route not only select the highest quality raw materials and have them prepared by the greatest professionals; they are also the ideal setting for tasting the local cuisine. All of our menus include a careful selection of wines that blend harmoniously with the ingredients of each lunch and dinner. Coffee and liqueurs are also included.

How are the meals served?

Breakfasts are buffet-style and are served on board the train in the four lounge carriages. Lunches and dinners are either taken at restaurants in the cities as mentioned in each day's itinerary or in the Restaurant Cars on board the train.

Yes, laundry service is available at an additional charge. Please see the crew for details.

Is the train accessible to wheelchairs / physical challenges?

Wheelchairs for sightseeing excursions are available upon request; kindly advise our office as soon as possible

for entering/exiting the train, and the train's corridors are too narrow to accommodate wheelchairs. For those with other physical challenges, please contact our office.

Is smoking allowed on board?

No. Since January 2006, it is forbidden by Law to smoke on board the train and in the train stations.

What facilities are available on the train?

The four lounge carriages on the train are the most unusual and beautiful places on the train. They are veritable rail treasures that are much admired owing to their exquisite design, their finish and the interior decorations. The "pub carriage" has a bar and dance floor and is decorated and lit like a small night-club, where lively entertainment is provided every night until the early hours of the morning. Another lounge carriage also has a bar where you can sit back and have a quiet drink. The other two lounges are for other types of entertainment, such as reading, enjoying a board game with your fellow passengers, talking or watching the passing scenery through the big picture windows. And wherever you are, you will always be served by our attentive waiters.

Passengers are offered daily newspapers, magazines, a thoughtful collection of books from the library, television and videos; all that you need to make your journey a pleasure.

The Rooms:

Are there different types or sizes of rooms on board the train?
