# The Ghan Central Explorer: Adelaide to Alice Springs

2 Nights • Luxury Experience

www.palacetours.com travel@palacetours.com 786-408-0610

# Overview

The Ghan Central Explorer is the first half of The Ghan's northbound journey, a three-day, two-night ride from Adelaide to Alice Springs in the heart of the Red Centre. The train leaves Adelaide Parklands Terminal at 15.00 and heads north through South Australia's wine country, where your first evening ends with dinner among the vines in the Clare Valley.

Day two is spent in the Flinders Ranges, with a full-day excursion from Port Augusta to the historic railway town of Quorn, the Pichi Richi heritage railway and the ruins of Kanyaka Station. On the final morning you step off at remote Marla to watch the desert sunrise beside a bonfire, before the train rolls into Alice Springs, where your journey ends with a choice of guided afternoon experiences.

Life on board is fully inclusive, with regionally inspired menus, Australian wines, beers and spirits, and every Off Train Experience part of your fare. This journey is one half of The Ghan from Adelaide to Darwin: pair it with The Ghan Territory North Explorer for a stopover in the Red Centre, with time at Uluru in between, and we can arrange your hotels and Red Centre touring between the two trains.

## Your Cabin

**Gold Twin Cabin** - A compact twin cabin with a three-seat sofa by day that converts to upper and lower berths at night, plus a private en suite. Meals are served in the Queen Adelaide Restaurant and guests share the Outback Explorer Lounge.

**Gold Single Cabin** - A cabin for solo travellers with a seat that converts to a single bed at night. Shower and toilet facilities are shared at the end of the carriage; dining and lounge access are the same as Gold Twin.

**Gold Premium Twin Cabin** - A newly designed twin cabin finished in walnut and brass with outback-inspired fabrics and a compact private en suite. Guests have their own dining car and lounge, four-course dinners, premium drinks, priority check-in and a larger luggage allowance.

**Platinum Twin Cabin** - Almost twice the size of a Gold cabin, with a choice of double or twin beds, windows on both sides of the train and a full en suite with separate shower. Meals and drinks are served in the exclusive Platinum Club.

**Gold Suite, Gold Premium Suite and Platinum Double Cabin** - Gold Suite and Gold Premium Suite options are also sold in Gold and Gold Premium service, along with the Platinum Double Cabin, a Platinum cabin with a double bed instead of twin beds and the same Platinum Club inclusions. Exact layouts and the departures that offer them are confirmed at booking.

The Aurora and Australis Suites are not sold on this journey; they are available on the full four-day Ghan from Adelaide to Darwin.

IMPORTANT INFORMATION

# Terms & Conditions

Fares for this journey are sold in different fare types, and the payment, change and cancellation conditions depend on the fare type booked. Your Palace Tours specialist will confirm the exact conditions of your fare in writing before you book.

- **Flexible fare:** paid in full at booking; fully refundable for cancellations received at least 24 hours before departure; date changes are free of charge.
- **Everyday fare:** a deposit of AUD 1,000 per guest (Gold and Gold Premium cabins) or AUD 1,500 per guest (Platinum) is due at booking, with the balance due 45 days before departure. Cancellations more than 45 days before departure forfeit the deposit amount; within 45 days of departure the full fare is charged. Date changes are permitted up to 45 days before departure for a fee of AUD 100 per guest.
- **Advance Purchase fare:** paid in full at booking. If booked more than 60 days before departure, a full refund is available for cancellations made within 14 days of the booking confirmation; after that the fare is non-refundable. Date changes are permitted up to 90 days before departure for a fee of AUD 250 per guest.

Suite fares carry their own deposit and cancellation conditions, which we will confirm with your quote. Amended dates must fall within 12 months of the original departure and are subject to availability and any fare difference. Timetables and departure dates are subject to change.

COMMON QUESTIONS

# Frequently Asked Questions

## How long is The Ghan Central Explorer?

> It is a three-day, two-night journey. The train leaves Adelaide Parklands Terminal at 15.00 on day 1 and your journey ends in Alice Springs on day 3, after the morning stop at Marla and a guided afternoon experience in Alice Springs.

## Where does the train stop between Adelaide and Alice Springs?

> The train stops at Long Plains for the Clare Valley dinner on day 1, Port Augusta for the full-day Flinders Ranges experience on day 2, and Marla for a desert sunrise on day 3 before arriving in Alice Springs. Each stop has an included guided experience off the train.

## How does the Central Explorer relate to the full Ghan?

> It is the first half of The Ghan from Adelaide to Darwin, on the same train with the same cabins and service. The second half, from Alice Springs to Darwin, is sold as The Ghan Territory North Explorer.

## Can I stop over in the Red Centre and continue to Darwin later?

> Yes. A popular plan is the Central Explorer to Alice Springs, a few nights at Uluru and in the Red Centre, then The Ghan Territory North Explorer from Alice Springs to Darwin. Northbound trains leave Alice Springs on Mondays (March to November) and Thursdays (April to October), and we can arrange your hotels, flights to Uluru and Red Centre touring between the two trains.

## What is included in the fare?

> Two nights in your chosen cabin, all meals on board, Australian wines, beers, base spirits and soft drinks, the Clare Valley dinner, the Flinders Ranges day with lunch, the Marla sunrise stop and a choice of guided experiences in Alice Springs. Gold Premium and Platinum include premium drinks.

## What is not included?

> Flights to Adelaide and from Alice Springs, hotel nights before or after the journey (we can arrange them), station transfers in Adelaide for Gold and Gold Premium guests, the optional Mt Gillen helicopter flight, travel insurance and personal expenses.

## Which cabins are available on this journey?

> Gold Single, Gold Twin, Gold Premium Twin and Platinum Twin cabins. Gold Single cabins share shower and toilet facilities at the end of the carriage; the other cabins have their own en suite. The Aurora and Australis Suites are sold only on the full four-day Ghan from Adelaide to Darwin. Gold Suite, Gold Premium Suite and Platinum Double cabins are also sold; details are confirmed at booking.

## What can I do in Alice Springs?

> You choose one included afternoon experience: a town tour with the School of the Air and the Reptile Centre, the Alice Springs Desert Park, a guided walk at Simpsons Gap or Standley Chasm with an Arrernte guide, or a mountain-bike ride on the Ilentye Trail. A helicopter flight over Mt Gillen can be booked instead at extra cost.

## What is the difference between Advance Purchase, Saver, Everyday and Flexible fares?

> There are four fare types. **Advance Purchase** is the early-bird fare and the lowest price, but it must be booked and paid in full at least 6 months before departure, and it closes automatically once that deadline has passed. It is the least flexible fare: a full refund is available only for cancellations made within 14 days of the booking confirmation, and date changes are permitted up to 90 days before departure for a fee of AUD 250 per guest. **Saver** is a discounted fare with limited availability that sits between Advance Purchase and Everyday; its conditions are confirmed at booking. **Everyday** fares need a deposit at booking (AUD 1,000 per guest in Gold and Gold Premium, AUD 1,500 in Platinum), with the balance due 45 days before departure. **Flexible** fares are paid in full at booking, are fully refundable for cancellations at least 24 hours before departure and allow free date changes.
> Not every fare type is offered in every cabin or on every date - for example, Advance Purchase is not sold in Platinum. We confirm the exact conditions of your fare in writing before you book.

## How much luggage can I bring?

> The checked luggage allowance is 60 kg per guest in Gold, 75 kg in Gold Premium and 90 kg in Platinum. Keep a small overnight bag with you in the cabin, as space is limited, particularly in the Gold cabins.

## When does the Central Explorer run in 2027?

> It departs Adelaide on Saturdays from March to November and on Tuesdays from April to October. The exact dates with fares by cabin are listed on this page.

## How do I ask a question or book The Ghan Central Explorer?

> Choose a date and cabin on this page to book, or email travel@palacetours.com, call 786-408-0610, or message us on WhatsApp at https://wa.me/17864080610, where a travel specialist or our AI assistant will answer. We can also add hotels and flights.

## How long is The Ghan Territory North Explorer?

> It is a two-day, one-night journey. You board in Alice Springs on day 1, stop at Katherine on the morning of day 2 and arrive in Darwin that evening, at 17.30 on Tuesday arrivals or 19.50 on Friday arrivals.

## Where do I board the train?

> You join The Ghan in Alice Springs. The train is already on its way from Adelaide, and your boarding time in Alice Springs is confirmed with your booking.

## How does the Territory North Explorer relate to the full Ghan?

> It is the second half of The Ghan from Adelaide to Darwin, on the same train with the same cabins and service. The first half, from Adelaide to Alice Springs, is sold as The Ghan Central Explorer.

### Can I combine this with Uluru and the Central Explorer?
