The Ghan Southern Wanderer: Alice Springs to Adelaide

2 Nights • Luxury Experience

www.palacetours.com travel@palacetours.com 786-408-0610

Overview

The Ghan Southern Wanderer is the second half of The Ghan Expedition, a three-day, two-night journey from Alice Springs south to Adelaide. It is offered for a short season only, in November 2026 and from March to May 2027.

You board in Alice Springs late in the evening, at the end of the Expedition's full day in the Red Centre, and settle into your cabin as the train heads south. Next morning the train stops at the remote outpost of Manguri to watch the sun rise over the outback plains, followed by a full day in the opal-mining town of Coober Pedy, with lunch underground. On the final morning you enjoy breakfast and brunch as the train passes the Flinders Ranges and the green fields of South Australia, arriving in Adelaide mid-morning.

On board, meals are prepared from regional produce and paired with Australian wines, and drinks are included throughout. This journey is one half of The Ghan Expedition from Darwin to Adelaide: travel from Darwin on The Ghan Territory South Explorer, stop over in Alice Springs and at Uluru, then continue south, and we can arrange your hotels and Red Centre touring between the two trains.

Highlights

- Alice Springs to Adelaide in three days aboard The Ghan
- Sunrise in the remote outback at Manguri
- Lunch underground in the opal-mining town of Coober Pedy
- Breakfast and brunch as the train passes the Flinders Ranges
- All meals, wines, beverages and standard off-train excursions included
- Optional Painted Hills and Lake Eyre scenic flight

Your Cabin

Gold Twin Cabin - A compact twin cabin with a three-seat sofa by day that converts to upper and lower berths at night, plus a private en suite. Meals are served in the Queen Adelaide Restaurant and guests share the Outback Explorer Lounge.

Gold Single Cabin - A cabin for solo travellers with a seat that converts to a single bed at night. Shower and toilet facilities are shared at the end of the carriage; dining and lounge access are the same as Gold Twin.

Platinum Twin Cabin - Almost twice the size of a Gold cabin, with a choice of double or twin beds, windows on both sides of the train and a full en suite with separate shower. Meals and drinks are served in the exclusive Platinum Club.

Gold Suite, Gold Premium Suite and Platinum Double Cabin - Gold Suite and Gold Premium Suite options are also sold in Gold and Gold Premium service, along with the Platinum Double Cabin, a Platinum cabin with a double bed instead of twin beds and the same Platinum Club inclusions. Exact layouts and the departures that offer them are confirmed at booking.

The Aurora and Australis Suites are not sold on this journey; they are available on the full four-day Ghan Expedition from Darwin to Adelaide.

What is the difference between Advance Purchase, Saver, Everyday and Flexible fares?

> There are four fare types. **Advance Purchase** is the early-bird fare and the lowest price, but it must be booked and paid in full at least 6 months before departure, and it closes automatically once that deadline has passed.
