Tips & Travel Guide

The Train:

What is the capacity of the train?

There are 14 suites on the train. The number of passengers really depends on the occupancies sold in that departure. The maximum capacity of the train is normally 28 passengers, but it could also reach 42 passengers using the sofas as triple.

Is there a dress code on board?

There is no official dress code on board, but we recommend comfortable shoes and clothes due to the nature of the visits and excursions.

What kind of food is served on the train?

Galicia, Asturias, Cantabria, the Basque Country and Castilla y León are, in the opinion of the most fastidious chefs and gourmets, the regions where you can still find the best cuisine in Spain. The cheeses, sausages, meat, vegetables, fish and seafood are all universally renowned.

The restaurants on our route not only select the highest quality raw materials and have them prepared by the greatest professionals; they are also the ideal setting for tasting the local cuisine. All of our menus include a careful selection of wines that blend harmoniously with the ingredients of each lunch and dinner. Coffee and liqueurs are also included.

How are the meals served?

Breakfasts are buffet-style and are served on board the train in the four lounge carriages. Lunches and dinners are taken at restaurants in the cities as mentioned in each day's itinerary, or in the elegant dining car.

Is there a laundry/dry cleaning service on the train?

Yes, laundry service is available at an additional charge. Please see the crew for details.

Is there internet or telephone accessibility on the train?

There is internet access on board the train but also in cybercenters in several cities along the route. Your room on board is equipped with a telephone, which you may use for long distance calls (guest's own account). Phones will generally

get reception, however sometimes this is a bit difficult due to the mountains and tunnels along the way. Rooms also have a multimedia computer available with free Internet access.

Is the train accessible to wheelchairs / physical challenges?

There are one or two wheelchairs while on the tour for emergency use. If the guests need a wheelchair for sightseeing, necessary arrangements may be made at cost (We recommend bringing own wheelchair). No assistance is available to push the wheelchair. Please know there are no ramps for entering/exiting the train, and the train's corridors are too narrow to accommodate wheelchairs.

Is smoking allowed on board?

No. Since January 2006, it is forbidden by Law to smoke on board the train and in the train stations.

What facilities are available on the train?

The four lounge carriages of El Transcantábrico are the most unusual and beautiful places on the train. They are veritable rail treasures that are much admired owing to their exquisite design, their finish and the interior decorations. The "pub carriage" has a bar and dance floor and is decorated and lit like a small night-club, where lively entertainment is provided every night until the early hours of the morning. Another lounge carriage also has a bar where you can sit back and have a quiet drink. The other two lounges are for other types of entertainment, such as reading, enjoying a board game with your fellow passengers, talking or watching the passing scenery through the big picture windows. Wherever you are, you will always be served by our attentive waiters.

Passengers are offered daily newspapers, magazines, a thoughtful collection of books from the library, television and videos: all that you need to make your journey a pleasure.

The Rooms:

Are there different types or sizes of rooms on board the train?

There is only one type of suite on board. However, two different layouts are available: either a double/matrimonial bed or two side-by-side twin beds. Suites on board El Transcantabrico are specially designed for rest and privacy. You can sleep in comfort as the train will be parked at a station each night.
