You awaken to the gentle sway of the Rhine as dawn breaks, each moment a reminder of the beauty that surrounds you.

In Speyer, you feel a profound connection to history as you gaze upon the majestic Romanesque cathedral, its ancient stones whispering tales of emperors and epochs long past. This place, rich in heritage, fills your heart with wonder and ignites a sense of belonging to something greater. As you stroll through the charming streets of Speyer, laughter mingles with the fragrant aromas of local cuisine, and you find joy in the simple pleasures of life.

DAY 4

You awaken in Strasbourg, where the air is alive with the whispers of history and the scent of fresh pastries.

As you wander through the cobbled streets of Grande Île, a sense of wonder envelops you, igniting a spark of curiosity within. In the enchanting Petite France, the gentle flow of the canals mirrors your inner tranquility, inviting you to pause and reflect.

DAY 5

BASEL / STRASBOURG

Full board on board. Early in the morning we will arrive in Basel, one of the most romantic and cultural cities in Switzerland. The city's skyline is dominated by imposing towers of Basel Cathedral, with their tiles of different colours. In the central square of the historic old town Markplatz every morning of the week you can find the fruit and vegetable market. On this same square is also the Basel City Hall with its striking red façade. Guided walk through the old town. Night on board.

DAY 6

BASEL / BREISACH AM RHEIN

Full board on board. We woke up in Breisach. Built on the banks of the Rhine, the city invites you to stroll through the picturesque streets of its centre and take a break in one of the many cafes and ice cream parlours that surround its market square or on the banks of the Rhine. Must-see sights: Cathedral Square, where you will enjoy a panoramic view of the Rhine, Rhine Island and the Black Forest. The historical museum, located at the Porte du Rhine, the last vestige of the Vauban fortifications, will help you discover the history of the city and its evolution. Night on board.

DAY 7

BREISACH AM RHEIN / MAINZ / WORMS

Full board on board. In the morning we arrive in Bormes (Worms in German). The Germanic peoples made Bormes their capital. The city is also famous for its Romanesque architecture. The highlight of the visit is the 11th-century St. Peter's Cathedral. With its four twin towers and domes, this spectacular old building ranks alongside the cathedrals of Speyer and Mainz as one of the finest achievements of the High Romanesque style. The nave is particularly impressive, rising about 27 meters, while its domes reach heights of 40 meters. Bormes is also a popular base for a tour of the Deutsche Weinstrasse, a 50-mile route through the local wine towns. Guided optional walk.

In the afternoon we will arrive in Mainz, a city with almost 2,000 years of historical heritage. The cityscape is dominated by Mainz Cathedral. In the shadow of the temple, medieval Mainz stretches out, where life takes place in the angular and narrow alleys, in the many small shops, boutiques and cafés that surround the wonderful Kirschgarten with its romantic half-timbered houses. In the evening, the Captain's dinner will take place. Night on board.

DAY 8

COLOGNE (KÖLN) / MAINZ

In the historic center of Cologne, you will find monuments, fountains and excavations in numerous places. Cologne's Roman past and its Jewish history in the Middle Ages were discovered in the archaeological excavation area of Rathausplatz. Another highlight of the Old Town is, of course, Cologne Cathedral, one of the largest Gothic cathedrals in the world. Disembark after breakfast. End of our services.
