Overview

A fascinating roundtrip journey from Rome, revealing the wonders of Bolgheri, Florence, and Venice.

Your Itinerary

DAY 1

ROME AND BOLGHERI

Your experience begins with a private transfer from your hotel or the airport to Roma Ostiense station, where the La Dolce Vita lounge welcomes you into a calm and elegant setting before departure.

Late in the morning, La Dolce Vita Orient Express leaves Rome behind. Once on board, enjoy a gourmet lunch created by three-Michelin-starred Chef Heinz Beck, inspired by the flavours and traditions of the region.

In the early afternoon, the train arrives in Bolgheri, a small medieval village surrounded by the Tuscan countryside, known for its vineyards, cypress-lined roads, and quiet atmosphere. Spend time exploring at your own pace or select from a range of carefully curated à la carte experiences.

Back on board, the evening unfolds in the Restaurant Car, where dinner is served as the landscape slowly fades into night. Later, the Bar Car comes alive with live music, as singers and musicians accompany the journey in a warm and relaxed atmosphere.

DAY 2

VENICE

The second day on board begins slowly, with breakfast served in your private cabin or in the Restaurant Car, as the train makes its way towards Venice.

Upon arrival at Venezia Santa Lucia station, a private transfer takes you into the heart of La Serenissima, where canals, historic palaces, and reflections on the water shape the rhythm of the city. Spend the afternoon exploring at your own pace or choose from a selection of à la carte experiences designed to discover Venice from a different perspective.

In the evening, you board the train once again. Dinner is served in the Restaurant Car with a menu created by three-Michelin-starred Chef Heinz Beck. The night then continues in the Bar Car, where live music with piano and vocals accompanies the journey into the night.

DAY 3

FLORENCE AND ROME

The third day begins gently, with breakfast served in your private cabin or in the Restaurant Car, as the Tuscan landscape unfolds outside your window.

Upon arrival in Florence, local guides welcome you to the city, where art, history, and daily life come together in a natural rhythm. From its cathedral and historic piazzas to its quiet streets and river views, Florence reveals itself step by step, shaped by centuries of creativity and culture. You may explore independently or choose from a selection of à la carte experiences tailored to your interests.

As the afternoon light softens over Tuscany, you return on board and continue south through central Italy, retracing part of the route taken earlier in the journey.

The experience comes to an end in Rome, the Eternal City, where the journey gently concludes.
